Discipline Policy

This policy applies to all Recreational facilities and programs, including off-site field trips and staffed events.

The Bureau of Recreation in the City of Waterbury, welcomes everyone to use our facilities as resources for social, educational, leisure and recreational use. The Bureau of Recreation facilities accommodate a wide variety of activities. A visitor whose conduct is disruptive, compromises safety, damages/destroys property, or is otherwise incompatible with the intended purpose of a facility prevents others from enjoying and using the facility. Therefore, it is necessary that everyone who uses the facilities follow this policy in order to:

- Afford appropriate respect for other visitors and staff
- Provide an appropriate level of maintenance and safety
- Ensure public access and use of facilities by everyone
- Facilitate successful programming

The City of Waterbury Bureau of Recreation reserves the right to have participants or visitors leave our facilities or programs if there is a discipline issue. Refunds will not be given for anyone asked to leave our facility or programs for disciplinary reasons. Furthermore, any participant causing damage to City of Waterbury property will be financially responsible to amend the damage. Efforts will be made in the case of a minor to notify a parent upon suspension. Suspensions begin immediately; however, the next operating day will be counted as day one of the suspension. The Bureau of Recreation reserves the right to make a parent conference mandatory before the participant is allowed to return to any Bureau of Recreation facility or program.

If special circumstances warrant that a participant may return before the participant's suspension has been served, the Supervisor of Recreation/Recreation Center Director or designee must be informed of the situation. Whenever possible, the staff member(s) who suspended the participant should reinstate the individual, with the approval of the Supervisor of Recreation/Recreation Center Director or designee. Each facility will document each offense per participant. Severe or multiple offenses will be punished accordingly, at the discretion of the Supervisor of Recreation/Recreation Center Director or designee.

Any participant suspended from a Bureau of Recreation facility or program is therefore suspended from all facilities and programs. No exceptions.

APPEAL PROCESS:

The Supervisor of Recreation and the Director of Public Works may ban an individual from the use of Bureau of Recreation facilities, without appeal, for a period of up to 30 days by informing the individual in writing that they have failed to adhere to the General Rules and Regulations. Individuals banned from Bureau of Recreation facility use for a period of more than 30 days shall be notified in writing within 5 working weekdays of the decision to ban the individual from facility use. The individual will have 5 weekdays from the time of receipt of the notification to appeal the disciplinary action in writing, stating why the individual should not be banned. Such request for appeal must be sent to the Supervisor of Recreation at 185 South Main Street, Waterbury, CT 06702. An appeal will not automatically delay the Supervisor of Recreation and the Director of Public Works decision; disciplinary actions shall take effect immediately unless stated otherwise by the Supervisor of Recreation and the Director of Public Works. The request for an appeal may include a request for a delay of the disciplinary decision pending a hearing before the Supervisor of Recreation and the Director of Public Works.

IMPORTANT NOTE REGARDING SUSPENSIONS:

Suspensions during legal litigations: If a participant and/or visitor is suspended and thereafter arrested due to the offense or vice versa, the Bureau of Recreation must wait until the litigation process has taken its course and there is a legal resolution prior to the Bureau of Recreation accepting any type of suspension appeal and final notice of said persons disposition with the Bureau of Recreation.
